

FEVER CRAZED MAN DROWNED

Elroy Phelps of Brandon Escaped
From Watchers and Ran
to River.

SUFFERED WITH PNEUMONIA

Over a Day's Search Before Body Was
Found—Inflamed Rat at Hollows
Falls Turned on Aged Citizen
and Bit Him Violently—
State Specialists.

Brandon, March 26.—The body of Elroy Phelps was found this afternoon in the Nehoby river where he had drowned himself yesterday when suffering with pneumonia. He had been suffering with the disease for about a week and had been carefully watched, for in his delirium he wished to escape from those attending him. Early yesterday, in the temporary absence from the bedside of his grandfather, Phelps slipped out of the window and started for the river nearby.

Search all yesterday failed to reveal his whereabouts and it was thought that he might have wandered into the woods. No trace of him was found, however, until between three and four o'clock this afternoon when his body was discovered in eight feet of water, 10 feet from the spot where he had thrown himself into the river.

Phelps was about 52 years old, unmarried and a business maker, at which trade he had worked at odd times. He is survived by his parents, Mr. and Mrs. Frank Phelps, by four brothers and by his grandparents at whose home he had been ill.

FIERCE RAT ATTACKED MAN

Aged Resident of Hollows Falls Bitten
on Street by Rodent Who Ran
Up His Body.

Hollows Falls, March 26.—Attacked by an infuriated "white" rat of immense size, Henry O. Thatcher, an elderly man, was severely bitten in the back, head and face while walking along one of the principal streets of the village today. The accident was most peculiar and unusual and was witnessed by a number of people who were unable to reach the victim until he had been badly bitten.

Mr. Thatcher was walking along the street when a huge rat sprang upon him. When a few feet in front of him, the animal suddenly turned and attacked the old man who was so overcome at the suddenness of the move that he was unable to shake the beast off. The rat ran up the old man's leg biting him in the fleshy part. Mr. Thatcher made a dive at the animal to knock it off and his hands were severely bitten.

The rat then ran up his body and bit him in the nose and face. The old man succeeded in knocking the creature senseless with an umbrella which he was carrying and then, with a groan, he killed the animal. He walked to the nearby office of a doctor where his wounds were dressed, and, while very painful, no serious results are anticipated.

FEEL ARBITRATION IS NEAR

Harmony in Granite Strike May Lead
to Resumption of Work Pending
Settlement.

Montpelier, March 26.—The fifth week of the strike among the granite cutters of this city and Barre opened this morning with little change in the situation. About \$12,000 was distributed in Barre Saturday as strike pay and about \$4,000 was paid out here this morning.

A strong feeling prevails in both cities that if the committee from the manufacturers and cutters fail to reach an agreement tomorrow or Wednesday, that the questions in dispute will be left to local arbitration, and that pending a settlement of all difficulties the men will go back to work. Both sides are tired of the strike and with the good feeling that prevails on both sides, it is believed that local committees can arbitrate the troubles satisfactorily to all concerned.

One important feature of the strike that is not generally recognized is that order for work that would come to Montpelier and Barre are being directed to Quincy, Mass., Westbury, N. J., and Milford, N. H. Should the strike last much longer it would be hard for the manufacturers to replace the trade they have lost and are losing.

RAILROAD CASE SETTLED.

Boston & Maine Pays F. J. Hamblet
\$1,000 for Injuries.

Newport, March 26.—The adjourned session of Orleans county court opened today at two o'clock. The case of F. J. Hamblet vs. the B. & M. R. R. was resubmitted, by the terms of settlement Mr. Hamblet received \$1,000 for injuries sustained at the railroad crossing at this place. This case was to have been tried by a special jury and the announcement that it is settled came as a surprise.

The only other business disposed of was the fixing of the bill of G. A. Brown of Barton, who was in court on the charge of breach of the peace. Court will probably adjourn Thursday or Friday as there are only a few divorce cases to be tried.

Herman Gaylor, who has been on probation for breach of the peace, was surrendered by Probation Officer A. C. Sleeper and will be taken to the House of Correction tomorrow for a three months' sentence.

FAMILY DRIVEN FROM BED.

Home of Edward Nash in Hubbardston
Destroyed by Fire.

Hubbardston, March 26.—The house of Edward Nash here was destroyed by fire this morning. The blaze started while the members of the family were in bed and the origin is unknown. A part of the furniture was saved and, because of the high wind, the barn was saved with great difficulty. The loss is \$2,000, partly covered by insurance.

DEEP CRACKS FROM ECZEMA

Could Lay Slate-Pencil in One—
Hands in Dreadful State—Dis-
ease Defied Remedies and Pro-
scriptions—Suffered Seven Years.

FOUND A PERMANENT CURE IN CUTICURA

"I had eczema on my hands for about seven years and during that time I had tried several so-called remedies, together with physicians' prescriptions. The disease was so bad on my hands that I could lay a slate-pencil in one of the cracks and a rule placed across the hand would not touch the pencil. I used Skin Lotion, Kemo and others, but finally but I did not use any internal remedy, and while some gave partial relief, none relieved as much as did the first box of Cuticura Ointment. I made a purchase of Cuticura Soap and Ointment and my hands were perfectly cured after two boxes of Cuticura Ointment and one box of soap were used. I now keep Cuticura Soap and Ointment, and use Cuticura Soap for shaving. I could write a great deal more in reference to my cure but do not want to take more of your time. William H. Dean, Newark, Del., Mar. 23, 1907."

CHILD SUFFERED With Sores on Legs. Cured in Two Weeks by Cuticura.

"My little daughter suffered with sores on her legs all last summer. Her feet were sore, and she couldn't wear her shoes. I think she was poisoned by running through weeds but the doctor and I tried several remedies but failed to find a cure. Then I sent for Cuticura Soap and Cuticura Ointment which cured her in two weeks. I find Cuticura the best remedy for any kind of sore and I hope I shall never be without it. Mrs. Gertrude Laughlin, Leydell, W. Va., Apr. 25, 1907."
